

LBOD Meeting 8.23.2021

Director's Report

1. Hiring Update
 - a. Senior Library Assistant position – We are in the middle of the interview process. 8 candidates applied for the position.
 - b. Library Assistant position – Position has been posted internally and will be posted externally in seven days if we do not have enough internally candidates apply.
2. AARP Project
 - a. With the help of Parks & Recreation the installation of the new seating area on the front lawn of the library has been completed. The last steps in the grant will be the promotion and use of the tables which will take place in September. This will include a promotional video to be shared on social media and programming activities at the tables.
 - b. Please click on the link: <https://youtu.be/Qc1pMCh3lrU>
3. LED Lighting Project
 - a. RECAP: The town had the library lighting evaluated by Environmental Systems Corporation and it was decided that the library lighting would be updated to a high efficiency LED lighting
 - b. Project was completed at the beginning of August
