Library Assistant: Programming, PT – Bethel Public Library: The Bethel Public Library is seeking a creative individual with an eye for design for creating and developing video content to expand the Library's programming and presence in the community. Under the direction of the Programming and Outreach Librarian, the Library Assistant's primary responsibilities are to assist in the programming, outreach, and marketing of Library programs and services.

The Library Assistant will also provide services to the public at all service desks throughout the library; assists in the creation and running of programs, and requires evening and weekend hours as part of the regular work schedule. The minimum qualifications for this position are a bachelor's degree with experience working in public library setting preferred.

Starting salary: \$19.72/hr. Full job description available at www.bethellibrary.org. Interested applicants may send a resume and cover letter to the Library Director, at administration@bethellibrary.org.
