Library Assistant: Youth Services, PT – Bethel Public Library: The Bethel Public Library is seeking an individual with experience working with children and teens to help provide quality programming to the community. Under the direction of the Youth Programmer, the Library Assistant's primary responsibilities are to create and present programming for ages birth through teen; including but not limited to story times, school visits, STEM activities, and book discussions as well as provide access to our Project Lab.

The Library Assistant will also provide services to the public at all service desks throughout the library; create displays and promote youth materials, and requires evening and weekend hours as part of the regular work schedule. The minimum qualifications for this position are a bachelor's degree with experience working with children and teens.

Starting salary: \$19.72/hr. Full job description available at www.bethellibrary.org. Interested applicants may send a resume and cover letter to the Library Director, at administration@bethellibrary.org.
