Library Assistant: Technology, PT – Bethel Public Library:

The Bethel Public Library is seeking applicants that are passionate about technology, with experience in video editing, digital design, and 3D software and hardware.

Under the direction of the Reference & Technology Librarian, the Library Assistant's primary responsibilities are to assist the Senior Library Assistant of Technology and Programming in the maintenance of library equipment, technology programming, and the Project Lab (Makerspace), as well as assist with digitizing the Library's rare historical collections. The Library Assistant will also provide services to the public at all service desks throughout the library; assists technical services, and requires evening and weekend hours as part of the regular work schedule. The minimum qualifications for this position are a bachelor's degree with some formal computer/technology training, experience with Word Press, HTML, and 3D printing a plus.

This position includes evenings and weekends. Starting salary: \$19.72. Full job description available at www.bethellibrary.org. Interested applicants may send a resume and cover letter to the Library Director, at administration@bethellibrary.org.
